MEMORANDUM FOR THE DIRECTOR

1. For your information, I conveyed to Mr. Kretzmann, at the State Department, your regrets that your St. George Association address of 1 May had not been coordinated in advance with State. I explained that the address was based almost entirely on an address previously cleared at State, and that I would be sending him today a copy of your notes of the 1 May address. He seemed entirely satisfied, and pleased to have this word from you.

2. As to future press inquiries about this address, it is recommended that, since we have no distribution copies of it, we explain to the press, ^{and as} if necessary _^ occasion arises, that you spoke informally from "notes" and that these notes can be consulted here in Colonel Grogan's office.
